

# PRE-CHIROPRACTIC

## Prerequisites for Texas Chiropractic Schools

*A 'C' or better is required in all coursework*

**\*Program requirements may change without notice and vary with each school; you are still responsible for checking schools' websites for admissions information. Please see your academic advisor to further explore the requirements of the school in which you are interested.\***

### Parker University

*Minimum of 90 semester hours with 3.0 GPA*

*24 of the 90 must come from life/physical sciences*

*Half of the coursework within the 24 hours must have a lab component*

*Within the 24 hours, at least one course is required in each of the following:*

- Human Anatomy & Physiology
- Chemistry (General, Organic, or Biochemistry)

*Remainder of the 24 hours can be met by any combination of life and physical science courses—*

- Recommended coursework includes:  
Biomechanics, Kinesiology, Organic Chemistry, Physics, Zoology, Human Biology, Cell Biology Physiology, Microbiology

*Humanities and Social Sciences (within the 90 hours): Recommends one or more of the following subjects to complete this requirement—*

- ENGL 1310 or ENGL 1320, Psychology, Communications, Social Sciences, Business

***\*Due to the flexibility of requirements, it is strongly recommended that you contact a Parker Admissions Counselor to review admissions requirements\*\****

# Mapping the Pre-Chiropractic Journey

*With the help of your pre-health advisor, use the prerequisite courses listed on the previous page to create an individual plan for your pre-chiropractic ambitions. NOTE: This is **not** an official plan, advising record, or degree audit. Please review the proposed course timeline with your degree plan advisor to ensure you have the correct courses to graduate.*
