HPAC PARTICIPATION

Of the **51** students who matriculated into or deferred their acceptance to a medical school, **31 (61%)** participated in our Health Professions Advisory Committee (HPAC) program. In 2024, HPAC introduced a quantitative assessment to evaluate new participants. Of the 31 listed above, **12 (39%)** were considered “First Time Applicants” in 2024 and were evaluated using the new assessment. The remaining **19 (61%)** were First Time Applicants in a previous cycle and therefore were not evaluated with this assessment. For more information about HPAC, please visit our website at <https://healthcareers.unt.edu/hpac/index.html>.
