

# PRE-CHIROPRACTIC

## Prerequisites for Texas Chiropractic Schools

*A 'C' or better is required in all coursework*

**\*Program requirements may change without notice and vary with each school; you are still responsible for checking schools' websites for admissions information. Please see your academic advisor to further explore the requirements of the school in which you are interested.\***

### Parker University

*Parker University now offers multiple admission pathways:*

- *Path 1: Bachelor's degree from an accredited institution.*
- *Path 2: At least 90 credit hours with a 3.0 GPA or higher.*
- *Path 3: At least 90 credit hours with a 2.75–2.99 GPA, including 24 credit hours in life and physical sciences.*

*Half of the coursework within the 24 hours must have a lab component*

*Within the 24 hours, at least one course is required in each of the following:*

- *Human Anatomy & Physiology*
- *Chemistry (General, Organic, or Biochemistry)*

*Remainder of the 24 hours can be met by any combination of life and physical science courses—*

- Recommended coursework includes: Biomechanics, Kinesiology, Organic Chemistry, Physics, Zoology, Human Biology, Cell Biology, Physiology, Microbiology*

*Humanities and Social Sciences (within the 90 hours): Recommends one or more of the following subjects to complete this requirement—*

- ENGL 1310 or ENGL 1320, Psychology, Communications, Social Sciences, Business*

***\*Due to the flexibility of requirements, it is strongly recommended that you contact a Parker Admissions Counselor to review admissions requirements\*\****

### Texas Chiropractic College

*TCC offers three admission pathways:*

- *Path 1: Bachelor's degree with a 3.0 GPA or higher.*
- *Path 2: 90 semester credit hours with a 3.0 GPA.*
- *Path 3: 90 semester credit hours with a 2.75–2.99 GPA, including 24 semester credits in life and physical sciences.*

*Preference will be given to applicants who have successfully completed the recommended prerequisite courses*

*24 of the 90 must come from life/physical sciences  
Recommended: General Biology, Anatomy, Physiology, Zoology, General Chemistry, Organic Chemistry, Biochemistry, Physics, Biomechanics, Exercise Physiology*

*Half of the above science coursework must have a lab*

*Applicants must have a well-rounded education in the social sciences and humanities*

*For more specific information, please contact the Office of Admissions at one of the following:*

- *281-487-1170*
- *admissions@txchiro.edu*

# Mapping the Pre-Chiropractic Journey

*With the help of your pre-health advisor, use the prerequisite courses listed on the previous page to create an individual plan for your pre-chiropractic ambitions. NOTE: This is **not** an official plan, advising record, or degree audit. Please review the proposed course timeline with your degree plan advisor to ensure you have the correct courses to graduate.*
