

Mapping the Pre-Podiatry Journey

Example: Eliza Foote is a freshman BA Biology major interested in going to podiatry school. Eliza has entered UNT with no dual or AP credit. Below is a map of all required prerequisites, when to take the MCAT, when to gain professional development, and when to apply to schools. **Each student's journey is different, and this map should only be used to illustrate an example. Please see our Academic Counselors to create your individual map.**
